

PRODUCT INFORMATION SHEET
Black Velvet Disinfectant

Disinfectant Cleanser with Outstanding Deodorising Ability

FEATURES

- Black Velvet Disinfectant contains a long lasting fragrance containing lavender, pine and sweet apple fragrance notes. This fragrance has excellent deodorising ability and long lasting effect. The high level of fragrance used in the product ensures outstanding deodorising.
- Multi functional product that cleans, disinfects and deodorises in one operation.
- Product is safe to use on any washable surface

HOW TO USE

- Black Velvet is recommended for use in hotels, motels, nursing homes, caravans, bars etc. It leaves a long lasting deodorant effect so the room smells clean and fresh in the evening, after cleaning in the morning.
- Use at a dilution of 1:50 (1/2 cup in 6 litres water) to mop large areas. Or as a spray & wipe cleaner use at a dilution of 1:10 (50ml in a 500ml trigger spray).
- Do not mix any soap, detergent or other chemicals with the product or deactivation of the disinfectant may occur
