

PRODUCT INFORMATION SHEET
Lemon Disinfectant

Lemon Disinfectant is a clear yellow liquid with the refreshing tang of lemons. It is a disinfectant deodorant cleaner recommended for use on all washable surfaces

FEATURES

- Lemon Disinfectant is a very economical product to use and is ideal for use in areas where staff may not measure accurately.
- It is a combined cleaner, disinfectant and deodorant so jobs are carried out in one simple operation.

HOW TO USE

- For disinfecting use at a dilution of 1:20 (1 cup in 5 litres of water). Do not mix any soaps, detergents or other chemicals with Lemon Disinfectant or deactivation may occur.
- For deodorising and light duty cleaning the dilution may be increased up to 1:40 (1/2 cup in a bucket)
