

PRODUCT INFORMATION SHEET

Sovereign

Sovereign is a clear blue liquid with a fresh complex floral fragrance. It is used in hospitals and nursing homes to reduce odours on soiled bedding, mattresses and other areas

FEATURES

- Sovereign contains disinfectant to kill odour producing bacteria plus a complex floral fragrance to deodorise the area.
- Regular use of Sovereign on soiled bedding and other surfaces will greatly reduce unpleasant odours making the environment much better for staff and patients.
- Sovereign has a neutral pH making it safe to use on all fabrics and surfaces

HOW TO USE

- Use Sovereign neat. Decant into a trigger spray and spray over soiled bedding, mattresses, rugs, etc. to remove urine and faecal odours
